Ann Tatum, [DuctTapeAndDenim.com](http://DuctTapeAndDenim.com)

Thanks for joining my vintage shopping and travel email list. I love traveling to vintage flea markets, both to sell and to buy.

On the next page, I've listed my top 20 list of vintage markets. I have to admit that I haven't been to every market in the US so I would love to hear about your favorites. Just hit reply to any email I send to you and let me know where I should go next.
